Yea its too bad you dont give a fuck about your own daughter who was starved and locked up. She was worse than a concentration camp victim!!

And you're sitting on your fat ass knitting away and talking about ww2 heros. PATHETIC.

Please make the world a better place and commit suicide. Your parents would be proud of you if you did.

Glad to see other people who hate [1 - Mental ...](#) here. Prepare yourself best you can, because this is only the beginning. Wait until the trial, the sentencing, and the day you get out of jail(hopefully you get the max sentence) and the rest of your life, people will hound you day and night and hunt the living fuck out of you until you die in misery. Then you'll have fun in hell. I can't wait until the newspapers begin publishing the horrified look on your ugly face.

Ok 1 - Mental h... Its one thing for you to hate your stepdaughter(after all, you are a psychopathic yarn obsessed cunt bitch), its another thing for the BIOFUCKINGLOGICAL dad to say, "I wanted to stay out of it". Just like you, he probably wanted all the food to himself.

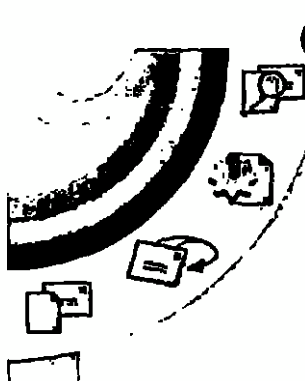

Hope your fatasses like prison food.
